**Dear Sir or Madam:**

It is my distinct pleasure to recommend Carrye Gaulin as a candidate for a position with your organization. She had previously been employed at Hog Heaven for well over 6 years. Carrye's greatest virtues undoubtedly are in her team leadership & moral building skills in addition to her ability to maintain an utmost professional behavior under the most high pressure and stressful of situations. Furthermore, Carrye is also a fast & adaptable learner, takes initiative with very little instruction, dependable, honest, and just an all around exceptional person. She was just an absolute joy to work with!

We deeply regretted to see such an excellent employee resign and would like to thank her for her superior work. She would be a tremendous asset to any company and has my highest recommendation.

**Thanks & Warm Regards,**
